

Due to an increase in business, our Marsh Barton based client is looking for an experienced electronics technician. The successful candidate will have the following skills and experience:

- **Customer focused**
- **Good communication skills**
- **Awareness and understanding of SSSE and future vision**
- **Soldering skills**
- **PC literate**
- **Awareness of Lean Techniques.**

You will ideally have experience of electronics manufacturing and your own transport as you will be working the following shift pattern – 05.45 – 14.15 (Monday to Thursday) and 05:45 – 11:15 (Friday).
